Mr. Lynn Burgess
Casper Boat Club Board of Directors
P. O. Box 2123
Casper, WY 82602

Dear Lynn:

Thank you for contacting me previously about the Bureau of Reclamation's (BOR) proposed change to Rule 43 CFR Part 429. It is my pleasure providing you with an update on this matter.

Since my initial inquiry, Mr. Dennis Breitzman, an Area Manager for the BOR, has notified me that a decision on the proposed rule change was recently put on hold indefinitely. It is my understanding the BOR is conducting a thorough review of their current policy along with the numerous comments received through their public scoping process. It is possible a decision could be generated at a later date and without any further notice, however, you may rest assured I will continue to monitor this situation and advocate for an outcome that serves the best interests of my constituents. Your views and comments will help me continue to be effective in this manner.

Again, thank you for the opportunity to be of service to you. Please feel free to contact me or my Field Representative, Michele Volk, in my Casper office whenever I may be of assistance in the future.

With warm regards,

Barbara Cubin
Member of Congress
