

# THE CBC ONSHORE NEWS

January 2012

**To the Membership and Board:** I hope you all had a great holiday and I would like to thank the outgoing board members for all of their hard work and help in making the club run so well, as we are looking forward to the new season. Speaking of that, it is imperative that members pay their dues and dockage by **March 1<sup>st</sup>**. If not, your dock could be reassigned to paid members looking for dockage. Nancy has several parties and functions planned starting with the Commodore's party. Please, please try and attend. Doug Moore has again donated a cut and wrapped beef for this function. All entertainment is posted on the website; please visit it as Don Claunch has continued to put a lot of effort into this. It is with regret that I have had to accept the resignation of Dave DuBay as his work and travel has taken a lot of his time, but maybe he will come up with a martini recipe for our martini night.

**2012 Season:** Again, please get your dues in or call Karen if you are not going to re-up for the 2012 season so that we can get our members in waiting for docks and can make plans for the season.

**Website & Weather Cam:** The club website is a great tool to keep up with the lake conditions, upcoming events, and activities. Check it out at [www.casperboatclub.com](http://www.casperboatclub.com)

Sincerely,  
Lynn Burgess, Commodore 2012
