

# The CBC Onshore News

February 2012

**2012 Season:** I am proud to announce that Jon Daniels has joined the board, taking the place of Dave DuBay.

With this newsletter, you will be getting your bill if it has not been fully paid. We have a long list of paid members needing docks. If you are not going to re-up or do not need your dock, please let Karen know as soon as possible.

**Poker Run:** The poker run committee has started to organize the event and the theme this year is "Vegas Baby". There will be a dress up night after the run. The event will be July 28<sup>th</sup>

**Other News:** We are removing more dirt from the back bay, finishing what we were unable to finish last year because of the weather.

As a reminder, please make your reservations for the commodors party as Nancy has planned a fun filled night for us. She has done a lot of work so please support her on this.

Ken Hampton has taken the chore of coating the aluminum docks so that they will not be hot to walk on. We will need some help applying the coating and will bring you more information in future newsletters so that you can help with this project if interested. This is going to be a great addition to the docks and a much needed solution to the problem.

We are also looking for someone to do grounds this year. Mary Anne is in charge of this. Laurie Beaman has done it in the past, but retired with our last commodore. Please e-mail or call Mary Anne if you know of someone that may be interested in doing this.

**Website & Weather Cam:** The club website is a great tool to keep up with the lake conditions, upcoming events, and activities. Don Claunch will be adding some more cameras so we have more views of the lake on the boat club site.

Check it out at [www.casperboatclub.com](http://www.casperboatclub.com)

Happy Leap Year!

Lynn Burgess, Commodore 2012
