

The CBC Onshore News

March 2011

The club opening is just 7 weeks away and it is time to start planning for a great season at the boat club. I know I have started my wish list for new boat things for the summer.

This is the time of year to do a pre-season check on our safety gear. Boat, trailer repairs, and maintenance are good things to do early so when the season is here, we are ready to go and have fun at the lake!

This week the Back Bay dirt work is going to begin, weather permitting. This will make it better for boats to pass at the ends of Back Bay docks one and two.

The planning for the Commodore's party is almost complete. I hope all of you will join me and the rest of the Board in kicking of the 2011 season. Please call or e-mail your reservation with a choice of entrée to Karen as soon as you can.

Calling All Hobie Beach Users: We will be putting new sand on the beach soon. If you have anything on the beach, please remove it as soon as possible. Things like tie down spikes and other fixed items will be covered up!

We have set Saturday, April 16th as clean-up day at the club. If the weather is good to us, any members that would be available to help would be appreciated. Watch for start time and additional information about clean-up day in the following newsletters or the CBC web site.

Reminder: Please remember that fees are due by March 1st, 2011 to retain your dock or storage space at the club. Check out the updated summer schedule (posted on the website).

Look forward to seeing you at the Commodore's Party!

Lee Burgess, Commodore
