

THE CBC ONSHORE NEWS

March 2012

Hello my fellow Casper Boat Club members. In 40 days and 40 nights, the Casper Boat Club will be open on the weekend of **April 13th**.

Commodores Party: The Commodores party will be held on the 14th of April. Nancy, Paulette and Sonya have been able to get a lot of silent auction items this year and Doug Moore is donating a side of beef.

As this is a tribute to past commodores, we hope that you would plan on attending so that you may be recognized for all you have done for the club.

Clean Up Day: The Cleanup day has been moved to April 21st so all can attend the commodore party.

Other News: You may have read or heard that the lease has gone up \$10,000. There are two reasons for this:

- 1) They just realized we are hooked into the county sewer pond and have overlooked it for the past several years.
- 2) We have the biggest footprint on the lake.

We will not be asking for any assessments this year but may look at a \$50 membership increase in 2013, which has yet to be determined. As you are all aware we have not raised dues in several years.

We have only had three docks given up this year and there may possibly be two more. So there are not going to be a lot of members who will be able to get docks. We usually have 16-20 docks surrendered, but this year that has not yet happened. As a last note, Ken Hampton has the material to coat all aluminum docks to keep them cool. We will be asking for help to roll the product on in April which is a much needed project.

Lynn Burgess, Commodore 2012
