

## April 2013

Spring has finally arrived and the level of the water in the lake is rising. The filling of the lake should be complete by May 1<sup>st</sup>. Now is the time to perform safety checks on your boat and trailer, check and replace ropes at the docks, and prepare for a great 2013 season at the lake. The outdoor patio decking has been replaced with TREX, weather permitting, the coating of docks will be finished soon and repairs are planned for many of the steps. We also have plans for new patio furniture and a fire pit for your enjoyment.

We want to welcome Sheryll back for another season with us. There are summer jobs available at the club, so if any members' high school or college age children are interested, please contact a member of the board. The club opens for weekends starting April 20<sup>th</sup>; and will be open 7 days a week starting May 3<sup>rd</sup>.

The first event of the year is the Commodore's Party on April 13<sup>th</sup> at the Petroleum Club starting at 6:30. Chad Lore will provide the entertainment, there will be a drawing for a half beef (Thanks DOUG MOORE) and there are fabulous items on the silent auction. The entertainment committee reminds everyone to watch for events on the 1<sup>st</sup> and 3<sup>rd</sup> Saturdays through out the season. Please check the web site for the schedule of events and any questions or comments can be directed to the board via the website as well: [www.casperboatclub.com](http://www.casperboatclub.com).

In this mailing you will find your **new membership card and boat stickers**. Please remember to place one 2013 sticker on your watercraft and the second one on your trailer. Any member with an **assigned** dock may store their trailer on the grounds with a 2013 sticker. Members with an **assigned** land storage spot must have the 2013 stickers on the watercraft as well as the trailers. Call the office if you need more stickers 237-9823.

The dock assignments have been made and if you did not receive a dock this year, you will remain on the waiting list.

Dave McMahan  
Commodore 2013

**2013 Board:**

Commodore

Dave McMahan

Vice Commodore

John Hatcher
