

May 2013

The season kicked off with the Commodore's Party on April 13th at the Petroleum Club. It was a fun event with great food, entertainment and auction items, which raised \$1900.00. The half beef was won by Larry & Vickie Rubis which they donated it to Kyle Gray with Kistler Tent for their donation of the tents for the Poker Run every year. Thanks to everyone who donated auction items and attended the event.

The weather finally cooperated for cleanup day on the 27th and there was a good turnout. The club will be opened Wednesday – Sunday for the month of May. Starting in June, the club will be open 7 days a week through Labor Day. There are some great events planned for the summer, so check the calendar and enjoy your club.
