September 2010

It is hard to believe that the summer is nearly over. It has been a wonderful summer, I hope you all got plenty of lake time. The Club was outstanding again this year thanks to our club manager Sheryl Ulrich and her staff. The club will remain open for the month of September, but with limited hours. Beginning after Labor Day weekend the club will be open Friday - Sunday only and on Sunday, September 26th will close for the season.

The annual Beach party was held on August 14, Oh what a night. We had a great night and thanks to Mother Nature she let us play out doors this year. There was lots of dancing and fun to had, with Sheryl had great food and drinks for the whole group. Coming up in September, we have a very funny comedian, Sam Adams to entertain us on September 4th. There are still tickets remaining, so get them while you can. Then on Sunday September 5th join us at the club for the last blast Pajama Party.

Fall boat washing will be happening again this year thanks to Independence Pressure Washing once dates are set we will post signs.

It was my honor to present this years Commodore's Commendation Award to Don Claunch for his service to the club. He has been a true asset to the Casper Boat Club and has really put a lot of time and energy into improving the club. He continues to work as our web guru maintaining and updating our great web site. It is my privilege to recognize the dedication that Don has had for the club.

The club would not be the success that it is without the work of a number of volunteers who give their time, talent and energy to making things happen. I would like to thank the entire board who works throughout the year on a variety of projects. I would also like to thank all who have given their time to the club this year and also to the membership as a whole who help greatly by utilizing the club and following all club rules. Thanks to you all.

I would like to thank our club manager Sheryl Ulrich and her staff for another excellent season at the club. Thank you to the 2010 board of directors who put a lot of time and energy into making our club better every year. Thank you to all of the people who volunteered this summer. I would like to say a special thank you to Larry Rubis and the committee for the poker run who set another record for money raised for Jason's Friends.
