

September 2013

CBC Members:

How fast the time goes when we are having fun! That's how this summer has been. It was another great month at the Club with all the activities. The weather was perfect for Labor Day weekend. The LAST BLAST was a BLAST, with great food, music and costumes.

There is still one month left in the season. The club will be open on weekends only for the month of September.

The Annual Meeting was a success, and we say goodbye to three board members; Nancy Brown, Paulette Hahn & Jon Dannels. Thank you for volunteering your time to serve on the board. I would like to welcome the newly elected members; Festi Edwards, Nick Bailey and Chris Trujillo. Please note, the board meetings are open to all members and your attendance is welcome. The board meets on the 3rd Monday of each month at 5:30. The meetings are held at Cost Plus Appliance & Design Center on 'C' Street.

Included with your statement, is the LAST Monthly Member Survey for the season. Please fill this out and return it when you pay your bill. Your feedback will be important as we plan for next year.

Upcoming Events – Please check the web site for further information

Boat Wash – To be announced, check the club house for dates.

September 28 – Painting the docks. If you are at the club, please do not walk on the newly painted docks. The board has devised a ferry system to get you to your boat.

Let's all enjoy September!
