

The CBC Onshore News

October 2012

Greetings Casper Boat Club Members:

Well fellow boaters, the season has come to an end for us in the Rockies to be replaced with snow, skis, and shovels.

The annual meeting was held September 1st and the by-law changes passed by two votes but we needed 2/3's of the membership present to pass, so it failed. It may be addressed by next year's board. Your new board members are Nancy Means and Patrick Ellbogen, with Dave McMahon reelected to the board.

The club has closed and Sheryl is doing the final closing down inside and we will be winterizing the club on the 13th and finishing the coating on the aluminum docks on the 25th through the 28th of October. The gate will be locked on the 1st of November.

Many have asked about the fireworks donations received so we have attached a breakdown. Please note, no donation was given by the Water Ski Club and the Marina only donated \$400 this year and \$700 last year but they advertise that they are putting on the show. The board will be looking into this.

I hope you have all had a great year. If your boat is stored through the winter at the club, please let Karen know for billing purposes. Also we will make sure that the electric does not get turned off this year as last year it did, causing some batteries in the sail boats to freeze.

Per Article IV, Section 3 of the bylaws: **"Assessments or other charges incurred by a member are due by the twentieth (20) of each month."** With the season at an end, please bring your account current by the 20th of October.

Sincerely,

Lynn Burgess, Commodore 2012
