December 2006

## **2007 Board Members Effective January 1, 2007**

Lynn Burgess - Commodore  
Don Claunch – Vice-Commodore  
Tom Brauer - Treasurer  
Sonya Gruner – Secretary  
Jim Coffman  
Kim Harvey  
Nick Hopkins  
David Simonson

Our thanks and best wishes to Gary Row who has served on the Board for the past three years as his term comes to a close. Gary has done a great job in coordinating the efforts of our team of New Member Orientation Committee. This committee has done an admirable job introducing our new Members to the Club facilities and grounds and helping them to understand the club rules and policies that maintain the quality atmosphere at the Club.

The entire Board's heartfelt thanks is extended to Gary Stokes who submitted his resignation from the Board effective December 31, 2006. The Board will be appointing a member to complete that one year term commitment at an upcoming meeting. Gary, with the able assistance of Vivian Stokes, has served the Club with a tremendous sense of passion and commitment. In 2004, as Vice-Commodore, Gary took the helm and shouldered most of the responsibility to keep our food and beverage operation going during a period of incredible management turnover. During his tenure the Club made numerous capital improvements such as: the replacement of staff housing, numerous dock replacements, the Promenade extension project and many others. He should be especially proud to be leaving the Board with no outstanding debts and in the best financial shape the Club has seen in years. The Board appreciates Gary's commitment to continue to coordinate the operation of the Gas Boy in 2007 and to act as our representative to the Alcova Lake Steering Committee. Thanks for all that Vivian and you have done to help make the Casper Boat Club a better place.

I would like to thank the balance of the Board for your hard work and your professional and courteous participation. Our meetings have been productive, have always stayed on course, and have never ended with any hard feelings between parties. That is a tremendous accomplishment for any non-profit organization. We are entering 2007 with excellent management and the

financial resources to move forward on numerous improvements that will benefit our members. The membership should be proud to having such a diverse group representing them. I have been honored to work with each one of you this past year.

**A reminder: ALL improvements made to the Club, the Club grounds, docks, lift installations, jet-ski ramps, etc., MUST be approved by the Board of Directors BEFORE construction begins.**

**The Club is now closed for the winter season and the main gate to the Club is locked. If you have left a boat on the premises of the Club, and have not made prior arrangements for its removal, you will be billed a land storage fee for the winter.**

You are receiving your billing for 2007 membership dues, and any other fees that may apply. You should note that there are no increases to our fees in 2007. Please be reminded that your membership and current dock space, land storage space, jet-ski ramp, etc. can only be reserved by the payment of your dues and fees by the 1st of March 2005. Also, for those of you that wish, payments in three installments can be made in January, February, and March to pay for your dues and other fees for 2005. Please phone Karen @ 237-9823 to make arrangements for payments.

Sheryll assembled and managed a great team this entire summer. We look forward to her return in 2007 and hope other members of her team will also return. Don't forget to thank her for a job well done. I look forward to more great things to come from her leadership next summer.

A few members have charges from 2006 that are outstanding. In conjunction with Article IV, Section 3, of these By-Laws, accounts will be closed out the last day of each month and statement rendered by the fifth (5th) of the following month with payment due by the twentieth (20th) of the month. If not paid by the end of the month of the billing, names of the delinquent account will be posted and charging privileges withdrawn until payment is made. In conjunction with Article IV, Section 3, the delinquent member shall be reported to the Board of Directors. If on the thirtieth (30th) of the next month (forty ((40)) days from the due date) the account is unpaid, the membership will then be subject to termination and the delinquent member's name may be turned over to a collection agency. Unavoidable exceptions to the above must be discussed with the Treasurer.

There is always something creative and new to see on the Casper Boat Club web site at [www.casperboatclub.com](http://www.casperboatclub.com) Don Claunch has made this site into a very informative and valuable tool for keeping members up to date with what is going on with your club. There are lots of great electronic photos of our great events and sites at the lake. We would appreciate you sending photos that you took this past summer at the lake. Please send any feedback on the site that you might have to Don Claunch. You can email him at [webboatswain@casperboatclub.com](mailto:webboatswain@casperboatclub.com) If you would like to receive the monthly newsletter via email, please send your email address to [webboatswain@casperboatclub.com](mailto:webboatswain@casperboatclub.com). You can also reach the entire Casper Boat Club Board by a link from our website.

Keep yourself and your family safe during these winter months and we will see you next year.

Respectfully,

**David Simonson, Commodore**
