December 2010

It is hard to believe that 2010 is almost gone. Time seems to go by faster each year as we get older. Summer used to be everlasting when we were kids and as we grow into adults it never seems to last as long as the cold winter. I just keep thinking that the winter solstice is almost here and then we are on the countdown to the longest day of the year and summer.

This is my last newsletter as your Commodore of the Casper Boat Club. It has been an honor to serve in this position and I would like to thank all of you for making it a wonderful and memorable year. I do want to say a special thank you to my family and friends for their support. Thank you to all of the members for a great boating season. It has been a pleasure serving as your 2010 commodore.

I would like to introduce to you your board of directors for 2010. These terms begin January 1, 2011.
