

December 2013

I would like to express a huge thank you to all of the members of the 2013 CBC Board for their hard work and energy this past year. A special thank you for the great entertainment the committee provided. I also want to thank Don Claunch and Gary Stokes for their continued service to the club. We leave 2013 and enter the New Year in excellent shape due to the work of this board. The club is financially sound and has made many improvements. It has been a true honor to work with each board member. I also want to thank all the CBC members for your support and donations during this year. We continue working to improve the club and grounds during this winter.

Sheryll Ullich and her staff did an incredible job this year. They provided us with great food, service and activities. Thank you for all that you do behind the scene. I look forward to seeing them all next year.
