CBC General Membership

Dear Member:

This letter is to inform our Membership of the ever pressing issues that we are faced with at our facility today. You all should know that our facility has been recently inspected by the ADA (American Disabilities Act) this report is due to the CBC BOD in the near future. We are also faced with numerous other concerns voiced by you (the membership) that require attention and these items will need prioritizing. We your CBC Board of Directors are looking to the Membership for prioritizing some of the concerns.

Below is a list of Key Items, Please number these items in order of importance.

- \_\_\_\_\_ Shower and Bathroom Expansion
- \_\_\_\_\_ Erosion Control and Maintenance
- \_\_\_\_\_ Security of the Grounds and Clubhouse
- \_\_\_\_\_ Other
