

Casper Boat Club Newsletter

July 2018

Hello CBC Members!

Thanks to the Docks and Bulkheads committee and other Club members for fixing the docks that were in need of repair. Floats were added, welding done where needed, and the broken dock on the prom were all fixed in the last few weeks. Specifically, we'd like to thank CJ Edwards, Brad Corkill, Chad Fagot, and Ben and Sonya Gruner for helping with dock repairs. And a shout out to Lynn Burgess for making his welding trailer available.

The Fireworks Display was great this year. We would like to thank Andrew Burgess for managing the display for the last 10 years. Thanks to all of the Club member volunteers who helped make this year's fireworks display a success, with special thanks to Rob Vondra, Pat Burgen, Tom Stokes, and Ken Denman. The Club provides funds for this annual event. If you would like to make a donation, please pick up a form at the Club.

New CBC logo merchandise is available at the Club. Currently we have women's clothing in stock with men's items coming within the next two weeks. Check it out!

Don't forget upcoming events/activities: The Poker Run is set for July 27-28 and the theme is Mardi Gras. Detailed information will be on the web and in the Club next week. Yoga on the lawn starts this Saturday, July 7 (10 am), and the Grease Monkeys will play live on the patio, Saturday, July 21 (7 pm). Get ready for some great music and dancing on the front lawn. A complete list of events can be found on the CBC website.

Some of you are aware of the confusion over breakfast on July 4th. The food truck failed to arrive on July 3 as scheduled, and didn't show until 9:00 am July 4. Please accept our apologies for this inconvenience.

Friendly Reminders

A reminder to all members that our Club is a community. We appreciate members contributing to our community by returning borrowed items, replacing items at the beach house, cleaning up after your pets, and placing trash in proper receptacles. Thanks for contributing to the CBC community.

The club's website remains up and running and is a source for all club information and can be found at www.casperboatclub.com.

You **must** get Board approval to put in lifts and dock boxes. If not, you are in violation of CBC dock policy and could jeopardize your membership. Any changes must be presented to the County for permission per the terms of the CBC lease with Natrona County and the Bureau of Reclamation. They are really watching us!

Please let the office or Tim (307-472-6922) know if your phone number has changed recently.

Have a safe and fun summer!

Dave McMahan
Commodore
