

# Casper Boat Club Newsletter

August 31, 2021

Welcome to September. Our summer season with all of the fun activities at the Casper Boat Club are nearing the end. There is lots going on at the club, and it's a great place to meet up with old friends as well as new. We need to enjoy it as long as possible. Summer is way too short around here!

Saturday the 4<sup>th</sup> of September is opening day for **Wyoming Football**. The game starts at 2:00pm. We plan on watching it Live on the back deck, at the club.

The **Last Blast** will take place on the 5<sup>th</sup> of September. The Party is hosted by Tim and Staff, with an All-American style barbecue beginning at 5:00pm. The Jams will be provided by 4 different artists starting at 6:00. It's a 70s theme so your costumes are definitely encouraged! The Kitchen will be closing at 4:00pm in preparation for the outside party.

**The Annual meeting will be held on the grass at the Casper Boat Club, 10:00am September 11<sup>th</sup>.** We need as many members as possible present. We will be voting in new board members, and **voting on the updated bylaws.** The Board is on the same team as the members, when it comes to bylaws. **We made the changes you requested.**

The club closes the 3<sup>rd</sup> of October at 6:00pm. We are planning a Club Clean-up and Winterization on the 9<sup>th</sup> of October.

Still working on the camping and dock issues. I have found nice people that have offered to sit on the committees. Call me if interested in helping with anything at the club. Once again, I need to remind you that we are governed by the BOR. All of our great ideas aren't always OK with them. We have the ability to negotiate and discuss, so maybe we can change minds.

I always look forward to seeing all of you. Let's enjoy the rest of the summer!

Respectfully,
