

Casper Boat Club Newsletter

December 7, 2020

I hope this newsletter finds everyone still healthy. I know some members have tested positive for Covid-19, and one member was in the hospital. Thank goodness everyone is doing better!

The Board is working on our wish list! We wish we could get the repairs and upgrades done NOW! Unfortunately, most will have to wait until spring.

We have a tentative list of all the Shenanigans for next season attached.

Just a reminder, all fees are due March 1st.

Board Member Julie Greiner's term will be over December 31st. I want to thank her for being an amazing treasurer for the club. Great job my friend!

The Board members that will remain on the Board, I will miss visiting, discussing and laughing with each one of you.

Now I would like to thank all the Boat Club members for all your support during my year as Commodore. It was a difficult year, but we all came together, and in my opinion- we made it a great year! I met lots of new people and made new friends, and for that I am very grateful. Thank you to the friends I had before for always helping and supporting me.

In closing, I hope you all enjoy your Holiday's with family and friends. See you in the Spring!

Respectfully,

Linda Vondra
