January 3, 2021

2020 Was a tough year and I'm really glad it is over.

Saying that, Happy 2021, which is sure to be better! I'm looking forward to what our new year has in store for us. I'm excited about the possibility of leaning on the bar or maybe even sitting at the bar in the club house, possibly shaking hands, hugging and doing all of the things we have taken for granted for many years. I'm even excited about the potential of our salad bar returning as an option. Just like the olden days

Many of you were present at our annual board meeting last September. You, our members, appointed two club members to serve on the Boat Club board of Directors. I would like to take this time to welcome Trudi Holthouse and Jason DeWitt to the board. I have asked Trudi to assist Jeremy Bosco, Vice Commodore with overseeing the operations of the club house. Jason has agreed to be our media spokesperson. He will work to assure our members are kept up to date on the latest happenings at the Boat Club. Jinger Moore will be our club Treasurer and Katie Sittner will be our Secretary. Pat Burgen will be responsible for dock assignments and Lee Burgess will be the lead on the daunting task of keeping our docks in serviceable shape. Lynn Burgess is our expert on working with the Bureau of Recreation and the Natrona County government in hopes of making lasting improvements to the boat club grounds and facilities.

Last, but not least, I want to welcome Rob Vondra as our new ground's keeper. Dave Herman our longtime friend and go to guy, will still be helping out at the club or on the grounds whenever needed. I am thrilled to work with all of these excellent individuals.

**Just a reminder, all fees are due March 1<sup>st</sup>**, and watch for more information regarding the Commodore's Dinner coming up on March 6<sup>th</sup>.

As your new Commodore I look forward to serving you, the members, to make your time at the club enjoyable and comfortable.

Respectfully,

Mark Bower  
Commodore 2021
