

# Casper Boat Club Newsletter

February 7, 2021

It's February, another month closer to the Boat Club opening for the summer. The entire Board of Directors is looking forward to the 2021 season. It is going to be a great year.

Talking about a great year, a big question I hear over and over, "Is Tim coming back?" I want you to know, Tim is coming back and we are excited about it.

It's going to be a busy year with improvements at the club. On the 20<sup>th</sup> of this month some work will begin on refurbishing our flag pole. The flag pole was in rough shape last season and we were unable to fly the Stars and Stripes on a daily basis. It should be reworked, reinstalled and ready for the club opening. Work continues on docks, with welding, supporting, adding flotation and doing whatever it takes to help them hold up to current, wind, weather and the daily rigors of holding boats and people. The buck fence which surrounds the property is falling down and needs some serious attention. Our grounds crew will start on those repairs soon. We plan on adding some lighting at key areas on the grounds to assist with the safety of members as well as the aesthetics of the property. Maintenance and improvements of the club house itself never ends. There will be some concrete replaced in the shelter area of the swim beach. Lynn continues to work with the county and other government agencies on the bigger improvements that need done on the property, this is the most difficult job of all and never ending. The list goes on and on.

**Just a reminder, all fees are due March 1<sup>st</sup>**

The Commodore's Dinner is coming up 5:30pm March 6<sup>th</sup>. Ludovico will be providing tasty dinner choices, see flyer on the reverse side. The event will take place at Gruner Brothers Brewing. Watch [casperboatclub.com](http://casperboatclub.com) for details. RSVP with Karen Ewart at 307-237-9823. (By the way, if you get a chance tell Karen thank you for all of the hard work she does for the club and members.)

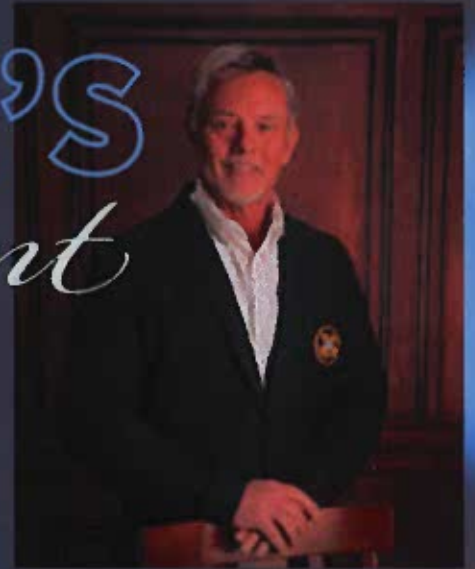

Respectfully,

Mark Bower  
Commodore 2021
