

Casper Boat Club Newsletter

April 17, 2020

This is a very scary time right now for all of us with the Corona Virus out there. Some people have been sent home, and some businesses have been shut down for the time being. Some employees are still getting paid, and some aren't. This is becoming a financial burden on lots of families, and small businesses. I truly hope each and every one of you, are safe and healthy.

The Board has been discussing at great length about the opening of the club. We feel that the safety of our members is the most important thing. So, we have decided to postpone opening the club until April 24th. We feel that this is the best decision. When the club opens it will have been sanitized from head to toe (as Tim and his crew do every year). Also, there will be hand sanitizer at every entrance.

You should see the beautiful change inside the club, but I'm not going to tell you! You will just have to come see it! Several other projects are being worked on and figured out. We are a bunch of worker bees and having great time doing it. I would like to give a big THANK YOU to Lori Beman, Lee & Terry Burgess, Lynn Burgess and the Bosco family for all the work they did on the docks (welding & ripping off old bumpers) this last week. You all ROCK!

As everybody probably knows, the Kentucky Derby has been postponed until September 5th because of the Corona Virus. What's a Kentucky Derby party without the Kentucky Derby?! Our party will be postponed as well.

Remember to call Karen or Linda with your votes for the Poker Run Theme:

- Rags to Riches
- Las Vegas
- Roaring 20's

We will tally the votes on May 1st.

Cleanup day will be Saturday, May 9th at 9:00 am. If you have a little time, we welcome all help!

Any new updates will be on the CBC website.

As of April 1st- we have 24 days until we open!! Positive thoughts!! Positive thoughts!!

Respectfully,

Linda Vondra
