

Casper Boat Club Newsletter

April 1, 2021

Happy April to all of you. We are 15 days to our club opening for the summer. Spring is a fun time of the year. There is always plenty to do in preparation for our boating season to begin. The Board of Directors, family members and friends have been working hard to do necessary repairs on the docks, grounds and other areas of the club. There has been some significant damage to some docks on the Promenade Deck. With the water falling and rising there was a large volume of ice that ripped several docks from their attachments. We will work on repairing them as the water raises a bit.

I, along with the rest of the Board would like to thank everybody that attended the Commodore's Dinner. The night was a tremendous success with 80 members in attendance. The auction of baskets provided by board members and Dick Gruner raised \$3,650.00. The silent auction turned into a live auction which made the bidding a little spicy! The Lasagna, Beef and Scallop dinners were tasty. It was good to see old friends and make new friends. A special thank you go to Jinnger for organizing the event, the Gruner's, Ben and Sonya for hosting the event, and Ludovico's for the food. Can't end this until I thank the members who purchased the baskets. It was a fun night.

We are starting to plan our annual Poker Run. It will take place on the 31st of July. We are throwing some themes out to you, to vote on. We will go with the most popular. Text Katie at 399-2834 with your favorite. Leave your name and choice. The choices are "50s Sock Hop", "College Life", "Pirates", or "Wild West".

Keep an eye on our website for updates and upcoming events.
