July 2019

Hello Members,

OK! Summer is here! A big thank you to Richard from Extreme Performance for allowing us to use their pontoon boat again for the fireworks shuttle to the island.

Again, Nancy Means has gone above and beyond by painting our restrooms in the Club. The colors are phenomenal. She put in over 40 hours to accomplish this task. If you see Nancy, please thank her.

Sorry to see CJ Edwards resign from the Board, but a big congratulations on his promotion at WesTec. As a result of his resignation, we are looking for volunteers to step up and pick up the balance of his term.

Thank you to Rob Vondra and crew for doing all of the fireworks again this year. A big thanks also to David Karst for moving the C-can.

Enclosed is your information for the annual poker run, which will benefit Meals on Wheels this year. Driven Sports has donated a jet ski and a 4-wheeler to be auctioned. Doug Moore has donated a whole beef, cut and processed. These items are being raffled at \$10.00 a ticket. Tickets are available at the Club or from any Board member.

Again, an 'atta-boy' to Dave Herman for the flower bed he built and all of the hard work he puts in on the grounds, which we all enjoy. We appreciate how much work he puts into the Club grounds.

For every one that is enjoying the beach house, please put the furniture back and put all of your garbage in the appropriate receptacle. This will cut down on the work load for the grounds staff.

Jeremy Bosco has installed 5 dog waste stations around the Club. But, Sunday morning, as I walked by the back bay, within 2 feet of the dispenser, there was a fresh pile. If anyone notices this happening, please bring it to a Board member's attention. This is very discourteous to the other members and to the volunteers that placed these bag dispensers around the Club. **YOUR MEMBERSHIP IS SUBJECT TO A ONE MONTH SUSPENSION IF YOU ARE FOUND IN VIOLATION OF NOT PICKING UP AFTER YOUR PETS. PLEASE PICK UP AFTER YOUR ANIMALS!**

See you at the Club and on the water.

Thank you.
