

Casper Boat Club Newsletter

August 2018

Well, July flew by like the Casper winds!

The July 4th fireworks were spectacular! A special thank you to Rob Vondra, Pat Burgen, Rick Means and Kenny Denman for the many man hours you donated while attending the classes, setting up and giving us a stellar fireworks display! Also, thank you to the volunteers who helped with setting up and tearing down. Your help was greatly appreciated.

Fireworks donations received so far include \$5785.00 from CBC members and \$6951.00 combined from Water Ski Club, Alcova Lake View Estates, Alcova Cabin Owners and Alcova Trailer Park Users. Expenses to date: \$16,664.00.

Summer Blast was a great success...it was great to groove to The Grease Monkeys!

The Poker Run was a huge success! Meals on Wheels and Hunting with Heros were blown away by the generosity of the Boat Club members! A special thank you to Lynn Burgess, Dave Herman and the entertainment committee for all your hard work! A total of the donations will be forth coming.

We continue to have problems with the DOGS! The CBC rules state NO dogs allowed on the grounds or deck. We appreciate your cooperation and respect of these rules.

Please make sure that all trash is in bags. We have had many complaints on this. Trash needs to be place in containers and not on the ground!

Upcoming events:

Annual Meeting will be held on September 1st at 6:00 See proposed by-law change on the reverse of this newsletter

All other events will be on the website

Thank you!

Dave McMahan
Commodore
