

Casper Boat Club Newsletter

August 1, 2020

July came in with a bang- actually a *lot* of them. The fireworks were awesome thanks to the hard work of several people! When you see them please thank-

*Darin Rodgers *Mark Bower *Deo Carmichael *Janet & Rich Jamieson
*Tom Kirkwood *Mark Mahnen *Nathan & Austin Vondra

The Poker Run was a big success again. We had 38 sponsors and several contributors. The boat registration was down just by a few, but that is amazing considering the mess the world is in right now. We don't know the final money count yet, but it will be a large amount of money to help Meals on Wheels. It was hard work for several of us and the amazing Jamie Loveall and her staff at Meals on Wheel, but we had a great time doing it!

The Garage Boys will play on August 15th. We will have a cash bar, and Mike and the staff will do a food truck type of setup outside.

The Margaritaville Beach Party will be August 22nd.

Be sure to check the website for times and any other changes. Dave Herman updates the website whenever something new comes up.

Remember, if you have any questions or concerns, please don't hesitate to call a board member.

As Always- Please stay safe.

Respectfully,

Linda Vondra
