

Hello CBC Members,

July was a busy month! The fireworks went off very successfully. A big thank you to Rob Vondra. How about those FIREWORKS! Did you know the show cost \$17,000.00 to put on? Many thanks to the Alcova Cabin Owners Association, Casper Water Ski Club, Alcova Lakeview Estates, Trailer Park Association & the Alcova Marina who donate money to cover about one third of the cost. Additional funds come from very generous Casper Boat Club members, individual cabin owners and trailer owners. Volunteer Casper Boat Club members attend trainings to learn how to safely handle and set off the fireworks.

The poker run was a great success again, thanks to all the contributors and over 34 sponsors. We doubled our cash donations this year. Our boat registrations were down by a few, but the food on the island was excellent as was the pig and food at the club. A big thanks to Mike and his crew for the great food. The porta potties seem to be a good idea. And a big thanks to Power Driven Sports for their jet ski and 4 wheeler donations as well as setting up and taking down all the tables and chairs that were donated by Kistler.

**DOG POOP! This has become a major problem. Not only are they deposited right by the bag dispensers, but one member went to his dock to find one right next to his boat. If this continues, the guilty dog & it's owner will have club privileges & use of dockage suspended for one month and possible termination.**

On a much lighter note, there will be casino night and other events in August, please check the website for dates.

Also, we are having a **celebrity chef on Aug 23<sup>rd</sup>**. It will be all you can eat pasta night from 6 to 9pm. Reservations would be appreciated, but the normal menu will be available. Please check the website for updates on this.

And a friendly reminder, the **Annual Meeting will be August 31 on the front lawn at 10am.**

Hope to see you at the Lake,

Lynn Burgess, Commodore  
Casper Boat Club
